VP Academic

- Manage the planning and delivery of a $12,000+ scholarship program for Faculty of Science students
- Work with the Advocacy Coordinator to plan events and awareness campaigns for various academic and social issues affecting students (academic integrity, scientific literacy, social justice)
- Serve as the CASG Science Coordinator, overseeing attendance of councilors and ensuring adequate representation
- Liaise with students and University faculty leaders to address the concerns of the student body and act as a voice for students
- Hire and manage the work of 3 peripheral executives (one Advocacy Coordinator and two Awards Officers)
