President

- Provides direction and guidance for society by
  - setting priorities for the society
  - upholding the constitution
  - acting as Chair for council meetings
  - supporting the executive team wherever possible
- Acting as the “spokesperson” for the society by:
  - representing students at monthly Chairs and Directors meetings
  - liaising with the Associate Dean of Recruitment and Retention and the Science Student Success Centre
  - elevating issues from the student body to the appropriate parties
- Directly oversees the 6 executives, indirectly oversees the peripheral executives and councillors
